LEMON GROVE REVIEW

Vol. 24, No. 24 | Lemon Grove, California | Thursday, January 13, 1972 | Phone 469-0101 | Ten Cents

PREVIEW — Laura Bolieu, Miss Lemon Grove, gets a sneak preview of one of the exhibits scheduled for the College Grove Shopping Center Recreational Vehicle Show from Fred Winger, vice president of Lemon Grove Chrysler-Plymouth, which will exhibit this vehicle. The show will begin this morning at 10 a.m. and will run through Sunday. On display will be over 100 dune buggies, campers, mobile homes, and other recreational vehicles from dealers from all over the county.

Judge Cancels Re-Districting OK'd Oct. 5 by Supervisors

SAN DIEGO (CNA) — A peremptory writ of mandate, ordering County Supervisors to re-district the boundaries of their districts, was handed down Tuesday in Superior Court in Judge Robert O. Staniforth's written judgement, apparently sealing the fate of the Oct. 5 plan three Board members voted.

Judge Staniforth declared that October plan "invalid and a nullity." The written judgement of Tuesday was a re-affirmation of the guide lines set verbally by the judge last Friday, after a day of argument.

Those guide lines put last in four priorities consideration of the county charter requirement that two of five districts be mainly made up of persons living outside the City of San Diego.

The ruling on this charter provision makes it possible for the Rancho Bernardo area, which is in the city, to remain in the Fifth District, a county district.

By putting the charter last, the judge put first equality of population. Supervisors sought this in all the plans they examined.

The judge put second that as few people as possible be moved from district to district. He ruled that the movement of 134,000 persons in the Oct. 5 plan violated the constitutional voting rights of these people, because they would have voted in the June 6 primary, had they stayed where they were, and by being moved they are next to vote in 1974.

The third priority is that districts should be made of areas with a community of interest, integrity, compactness and similarity in geography and topography. County counsel had argued that Rancho Bernardo has more in common with Escondido than downtown San Diego.

Jack Walsh was practically re-districted out of his first District job. The decision puts the district back where it was. It also puts Henry Boney's back in the South Bay.

The trial, with Judge Staniforth's decision, is a landmark case in California politics, involving all other officials and their districts, not just Supervisors. The papers in the case were filed on Nov. 2 by Roger S. Ruffin, who had stepped down the day before as a Superior Court Judge.

Two Blacks Rob Station Friday Night

Two Negro males who stopped at a Texaco service station on Federal blvd., over the weekend were responsible for an armed robbery, escaping with between $30 and $35.

According to reports from the San Diego Police Department, who answered the call although the station, at 6310 Federal blvd., is in Lemon Grove, the suspects asked to use the restroom after approaching on foot from the west Friday night at about 8:30 p.m.

After receiving permission, the well-dressed suspects walked around to the side of the station, only to emerge moments later to confront the station attendant near the cash box.

One of the suspects simulated a gun in his jacket pocket, demanding that money be placed in a brown shaving ba. The suspects then instructed the attendant to remain in the bathroom for five minutes.

The description of the suspects indicated that one was in his early 20's, 6-2, 150 pounds, short hair, clean shaven, wearing sunglasses, a suit, and a maroon necktie. The other was 19 or 20 years old, 5-8, 150 pounds, clean shaven, wearing a black cap, sunglasses, a black leather jacket, and possibly blue Levi's.

Oct. 5 Districts Stand

The Oct. 5 re-districting of the county's supervisorial districts will stand as approved by supervisors in a 3-2 vote, it was decided Tuesday.

The board, with the same 3-2 vote, decided to keep the boundaries they approved in October.

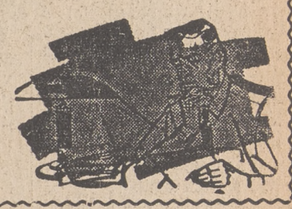
The boundaries will stand until an appeal is heard by a higher court. County counsel said the appeal might take as much as a year.

Lemon Grove and Spring Valley are now in Henry Boney's district. A substantial part was both communities were in Harry Scheidle's district prior to Oct. 5.

The 3-2 vote represented Scheidle's and Walsh's negative votes both times.

The DIMMER VIEW

by Max Goodwin



The Lawmaker and the Bottle

Late last year a great hue and cry arose when the County was asked to provide $3,000 — more or less — for alcoholic beverages for a group of California State officials who were due in San Diego for a convention of a sort.

There was never a report released as to whether the money was made available but since the visitors didn't register a complaint, it is safe to assume the taxpayers here paid for the free booze.

It is a small matter in the grander scheme. But it is the grander scheme that is frightening.

Part of the wider picture is portrayed in an article written by Rus Walton, a columnist for the Ventura Star-Free Press recently.

There has been no rebuttal from Sacramento so we are going to regard Mr. Walton's article as added evidence to the proposition already established by the demand for $3,000 for booze for visiting "dignitaries".

Said Walton in his column: "I want to tell you, Buster, I'm disgusted. And if you'd been around the Capitol lately, you'd be ticked off, too.

"Maybe it's not fair to keep on beating a dead horse but someone has to say something about the way some of these legislators are going about the people's business.

"Take the last Thursday night during the closing hours of the 1971 session for instance. When everyone was supposedly anxious to finish up and adjourn.

"Some of those august statesmen were so loaded they could hardly find their desks. They couldn't find the chambers. They just sat in the cloak rooms, or their back offices, and let their dinners drain off.

"Over in the State Senate chambers a couple of lawmakers tried to speak on the tax bill. It was pitiful. They were too drunk to form their vowels, let alone their syllables.

"This is the seat of state government. Where momentous decisions are made. These men govern a large part of our lives. I'll tell you, it's frightening!

"Let's get one thing clear. Not all 120 legislators are like that. Some of them are fine men. Men untouched by avarice and appetite. Men who bear with decorum the responsibility the voters have placed upon their shoulders. Men who walk in dignity.

"But there are others—too many others—who don't deserve to be called legislators. Men who should have stayed back home in their neighborhood bars.

"Come next election time, though, they'll be right out there in the hustings convincing the voters how diligent they are and how narrow the path they follow.

"It's not that we expect our public officials to act as saints. It's just that we want them to stop treating us voters as fools."

This thought will unquestionably come to many of us as we observe the performance of our representatives as they take action on the important issues left dangling when they returned to their home districts to give their constituency a mid-term buttering-up.

LG Planners Set Meeting This Evening

The Lemo Grove Planning Association Executive Committee will meet tonight at 7:30 p.m. at Golden Avenue School with formulation of community goals from various subcommittees heading the agenda.

Expected finalized goals will be presented by the Education, Public Utilities, and Parks and Recreation Subcommittees, with a possible final report from the Transportation Subcommittee.

The Residential, Commercial, and Health and Welfare Subcommittees are not expect-

Three Rob CdO Liquor Store

Two men and a woman escaped with about $500 in cash after holding up the Casa de Oro Liquor Store at 9727 Campo rd., at about 10:30 p.m. last Thursday evening.

According to Sheriff's Department reports, one of the men and the woman walked into the store and began selecting items, apparently for a purchase. After placing a bottle of orange soda and a bag of potato chips on the counter, the man motioned the store clerk to move to the back of the store, and displayed a .38 caliber sunb-nosed revolver.

At that point the robber demanded money and held the gun on the clerk as he put the money from the cash drawer in a brown paper bag.

At that time, a second man entered the store and removed a revolver which was kept under the store's cash register and disconnected the telephone before all three suspects ran out of the store, escaping in a white "Duster-type" coupe.

All three of the suspects were Negroes, 18-20 years of age, and about 5-7 tall, reports indicated. The first male suspect was described as about 150 pounds, with a short afro haircut. The second male suspect was described as about 140 pounds, also with a short afro haircut. The woman was described as "skinny", with a medium-length unkept afro hairdo, wearing navy blue pants and a navy blue sweatshirt.

PacTel Budgets $6 Million For East County Improvements

Pacific Telephone intends to spend a shade under $6 million in the East County in 1972 to improve communication facilities.

The $5.8 million budgeted for East County construction projects this year is about 20 per cent more than the company allocated for this area a year ago.

Approximately 40 per cent of the funds budgeted for the East County will be spent on outside plant (telephone lines, cables, etc.) and most of that will take the form of underground work.

William E. Quirk, vice president and general manager for PacTel, said that better than 87 per cent of the $19 million his company has allocated for outside plant in San Diego County is earmarked for "out of sight" expenditures.

Quirk added that the company intends to spend about 70 per cent more on undergrounding this year in the county than it did in 1971. Undergrounding, he explained, includes the cost of removing existing overhead cable and wires as well as placing cable in the ground in new developments.

More than $2.3 million is ticketed for switching equipment in the La Mesa and El Cajon offices.

Further east in areas where there has been abundant growth in recent years, the company will beef up central offices in Lakeside and Santee.

Switching equipment will be installed in a Lakeside central office at a cost of $1.176 million and $293,000 has been set aside for switching equipment for a Santee central office.

A $56,000 addition to the Alpine central office is scheduled to be completed this spring and $48,000 worth of switching equipment is expected to be ready for use in the office in mid-fall.

Installation of the equipment will boost the office's capacity from 3,000 to 4,250 and is calculated to take care of Alpine's telephone needs for another five years.

Other sectors of the East County also will benefit from PacTel's construction program. A total of $14,000 has been set aside for switching equipment for the Jacumba central office; $6,000 for dial switching equipment for the Campo central office and $2,000 for switching equipment for the Pine Valley central office.

In reviewing some of the company's highlights of the past year, Quirk noted that there have been several base rate expansions in the East County that have resulted in lower telephone costs for some customers.

Coating Set For La Mesa Streets

Drivers on most of the main arterial routes in La Mesa have noticed that City work crews have been patching large sections of the pavement during the past several weeks. Often the patch causes a noticeable bump after the crews have moved on, leaving the motorists to wonder whether the old bump wasn't better than the newly constructed one.

The question was answered this week when the City Engineer Charles Bras revealed that his work crews have been preparing the streets for a major paving overlay of one inch asphalt. The three miles of new surface will be advertised for bids this week with the work to start in mid-February.

Motorists who have been bouncing along on Severin, Jackson, and Parkway drives may now rest assured that the City Engineering Department will soon have the situation smoothed out with easy gliding just ahead.

Sentencing Set For January 28 In Rape Case

SAN DIEGO (CNA) — A Spring Valley man who has worked as a laborer for San Diego county for more than 15 years pleaded guilty Thursday to two counts of statutory rape of his 15-year-old stepdaughter.

Robert John Brown, 37, of 10767 Jamacha rd. entered his guilty plea to the two counts before Superior Court Judge William A. Yale. 13 counts of sexual offenses involving the same girl were dismissed.

The Grand Jury indictment returned last month against Brown charged him with five counts each of forcible rape, statutory rape and of sex perversion, all involving the stepdaughter.

"Do you know how long your sentence in prison could be if it is decided you are not a mentally disordered sex offender?" the prosecutor asked Brown.

"Yes, I believe it is a maximum of 50 years on each count," Brown replied.

"He probably will be sent to the State mental institutions for a good long time," Brown's attorney predicted.

Yale set sentencing of Brown for Jan. 28. He is free on $1,500 bail.

Charger's Jim Hill, KOGO's Bob Mills To Top CoC Dinner

Bob Mills and Jim Hill will be guests of honor at the Lemon Grove Chamber of Commerce on March 25 at the VFW Hall in Lemon Grove.

Mills, a teevee personality with KOGO, will act as master of ceremonies. Jim Hill, a free safety with the San Diego Chargers and a teevee sportscaster with KOGO during off-season, will accompany Mills.

He will answer questions about football generally and the Chargers specifically, said George Tonner, dinner chairman.

There will also be a program of live entertainment in addition to Hill and Mills, he said.

The dinner will be buffet style with roast beef as the meat selection or roast breast of chicken with mushroom and wine sauce; five salad choices; mixed vegetables, dessert and coffee. The price will be $5 and reservations may be made through the L.G. Chamber of Commerce.

Date has now been set for the Old Time Days Kickoff Dinner, Tonner added. It will be May 5 at the VFW Hall. The affair will be a dinner-dance with live entertainment between dance sets, he said. Full particulars will be made available as soon as the Chamber dinner details have been completed.

Forecast Asked At Hospital's Board Meeting

Grossmont Hospital's Board of Directors, at the first meeting of the calendar year, last week requested the hospital's administration to prepare an occupancy forecast, which should indicate how Grossmont Hospital's overall occupancy will be effected now and in the future by the new Alvarado Hospital and the bed additions of El Cajon Valley Hospital and College Park Hospital.

The hospital's administration will provide the board with the forecast within six weeks.

The board was also asked to consider the issue of whether hospital nursing personnel should be allowed to wear white pant suits in addition to the traditional white nursing dress at Grossmont Hospital.

No decision was made at the meeting on the issue, but it was referred to a board committee where representatives of the nursing department and administration would be in attendance.

Additionally, the board instructed the hospital's administrator to invite the new construction project's architects to attend the next board meeting to discuss with them where the project stands regarding the schedule.

Bellwood Earns Kiwanis Moral Fiber Award

Steve A. Bellwood, 26, of 7354 Mt. Vernon, Lemon Grove, was presented the Moral Fiber Award of the San Diego Kiwanis Club Tuesday for his running capture of a purse snatcher who victimized a woman at Vista.

In announcing the award, Frank L. Price, Moral Fiber Award committee chairman, pointed out that Bellwood was receiving the honor because of his good citizenship, willingness to become involved in the problem of a woman in distress, and his support of law enforcement.

Events leading up to the award concerned Mrs. Alma A. Buccoliero, as she was approaching her home in Vista November 5 at 10:30 a.m. Without warning, she was overtaken by a young hoodlum, who forcefully snatched her purse and continued running down the street. The victim's finger was lacerated during the theft. She was frightened and nervous and hollered for help.

Bellwood happened to be driving by in a car at the time. He abruptly parked his vehicle and raced on foot after the thief. After a chase of about a block and a half he captured the purse snatcher, who resisted. After a struggle, he was taken to a nearby market where a call was made to the sheriff's office. Bellwood held the offender until police arrived and arrested the youth.

Bellwood then retraced the escape route and recovered the victim's purse which had been disgarded by the thief during his flight, and returned the pocketbook to the woman.

New Approach Set In PRD Agreements

A new approach in seeking an agreement between the Lemon Grove School District and the developers of the Imperial-80 Planned Residential Development was outlined Monday night at a meeting of the school district's Board of Trustees.

Up until now, the school district sought an agreement with the developers which would have called for the developers to provide money for temporary school facilities for increased enrollment as a result of the PRD.

The agreement would have been based on City Policy 600-10, which calls for developers to provide temporary facilities for students resulting from a development inside San Diego City Limits. The Imperial-80 plan lies entirely within the city limits, but partially within the Lemon Grove School District boundaries.

Agreements which were considered and rejected by the Pacific Bay Development Company called for $150 per unit built, as well as a purchase option on a portion of the land to be developed for another school, if needed.

Since the last time developers and district officials met, the district, after studies held concurrently with other districts throughout the county, has agreed with the County Department of Education to seek a county regulation which would call for payment by developers of 2% of the value of building permits to elementary and high school districts.

Under the proposed regulation, which was to be presented to County Supervisors Wednesday by the County Department of Education, about 20% of the payment would go to the high school district, while 80% would go to the elementary district.

After discussing the concept with administration officials, trustees voted to pursue further a contract with the developers, hopefully achieving an agreement before developers go before the San Diego City Council for a hearing January 27.

In other board action, trustees authorized the district to

Stewardship Program Set At Foothills

"Foothills Begins to Build" has been chosen as the theme for a stewardship program now in progress at the Foothills United Methodist Church, 4031 Avocado blvd., Casa de Oro. Over 100 men, women and youth are attending a series of instructional meetings. They will participate in a general canvass of the congregation January 16.

The members of the church have voted to expand the church facilities to meet current needs and the future growth anticipated with the development of the nearby Rancho San Diego property. Building plans include the remodeling and enlarging of the intermediate Sanctuary with a redesigned chancel, improved seating, carpeting, and a new sound system.

A two-story education building with classrooms on the lower level and a multi-purpose room above for the youth will also be constructed. Parking area improvements, necessitated by the widening of Avocado blvd., will provide lighting of driveways, a new church sign and the undergrounding of utilities.

The Reverend William Andrus Perry, Department of Finance and Field Service, National Division, Board of Missions of the United Methodist Church, is the director of the Foothills program and will speak at the 9 a.m. and 10:45 a.m. worship services January 16.

He is a specialist in the field of stewardship education and is under special assignment to the Board of Missions. Reverend Perry conducted a successful campaign at Foothills in 1969 and has been warmly welcomed back by the congregation.

Scout Workshop Set

A Cub Scout Leader Workshop has been planned by Grossmont District Den Mothers for January 18, from 9 to 11:30 a.m. at the American Legion Hall, 8118 University ave., La Mesa.

PLANTERS — Scoutmaster Joe Smithey, left, of Boy Scout Troop 108 of Lemon Grove, along with his son, Frank, of the troop, put the finishing touches on a tree plant at the Lemon Grove United Church of Christ Congregational. The tree was a living Christmas tree purchased by the church. Members of the troop, in addition to planting the tree, did some light construction and landscaping for the church as a public service project. The church sponsors the troop. (Mark Coffin photo)

Mothers' March Time Nears For March of Dimes

Many hands are neded in the battle to prevent birth defects, according to Mrs. John F. Duffy, March of Dimes Mothers' March chairman for the San Diego-Imperial campaign. The annual appeal will take place during the final week of January.

"We believe that you can't invest your time in a better cause," said Mrs. Duffy. There are countless ways to help the drive, she said.

Volunteers are needed to recruit other marchers, prepare kits, plan and coordinate routes and record contributions.

Money raised by the Mothers' March goes toward support of medical service programs in San Diego and Imperial counties.

Birth defects strike some quarter of a million infants in the United States each year. Research, skilled care and education can end the threat of these tragedies.

Rotary Plans Educational Award Program

Four types of educational awards designed to further international understanding by requiring the recipient to study in a country other than his own are being offered for 1973-74 by the Rotary International Foundation, Rotary District Governor Tom Watson said this week.

As outlined by Dr. O. D. Dannenberg, district Rotary Foundation chairman, the awards, available to men and women in San Diego and Imperial counties, include:

Graduate fellowships, for university students who have received or are about to receive a bachelor's degree or equivalent.

Undergraduate scholarships, for those studying at university or college level but who have not yet graduated.

Technical training awards, for high school graduates or equivalent and who have been employed or engaged in a technical field for at least two years at time of application.

Awards to teachers who have been employed or engaged as full-time teachers of the physically, mentally, or educationally handicapped for at least two years at time of application.

"Traducir" means "to translate." We may wish to use this form in phrases like "Favor de traducir." (Please translate.), "Voy a traducir." (I am going to translate.), and "Yo no se como traducir." (I do not know how to translate.).

"Traduzco" is the way to say "I translate." This may be used with expressions like "Traduzco papeles." (I translate papers.), "Yo traduzco libros." (I translate books.), and "Yo no traduzco." (I do not translate.).

"Traduce" may be used with pronouns like "el" (he), "ella" (she), and "usted" (you). For example we may say "Que traduce el?" (What is he translating?), "Ella traduce el cuento". (She translates the story.), and "Usted traduce muy bien." (You translate very well.).

"Traducimos" is the way to say "We translate." This is used in expressions like "Traducimos frecuentemente en la clase." (We frequently translate in the class.), "Traducimos Espanol a Ingles." (We translate Spanish to English.), and "Traducimos frases para ellos." (We translate phrases for them.).

"Traducen" is used with the plural pronouns "Ellos" (they-masculine), "Ellas" (They-feminine) and "ustedes" (you). Thus we may say "Ellos traducen su tarea." (They translate their homework), "Ellos traducen muy poco." (They translate very little.), and "Cuando traducen ustedes?" (When do you translate?).

"Me gustaria traducir." means "I would like to translate." This may be used in expressions like "Me gustaria traducir una cancion." (I would like to translate a song.), "Me gustaria traducir un poema." (I would like to translate a poem.).

The following practical phrases use various forms of "traducir." You may enjoy practicing them with the recorded voice that says them for you after dialing 276-2762 on your telephone.

Say "Favor de traducir." (fah-VOHR deh trah-doo-SEEHR)
for "Please translate."
Say "Traduzco muy poco." (trah-DOOS-koh MOO-ee POH-koh)
for "I translate very little."
Say "Que traduce usted?" (keh trah-DOO-seh oo-STEHD)
for "What are you translating?"
Say "Yo traduzco un poema." (yoh trah-DOOS-koh oon poh-EH-mah)
for "I translate a poem." or "I am translating a poem."
Say "Ellos traducen todo." (EH-yoh trah-DOO-seh TOH-thoh)
for "They translate everything."

The San Diego County Chapter of the National Cystic Fibrosis Research Foundation will hold its annual membership meeting January 18, at 7:30 p.m. in the Community Meeting Room of the San Diego Federal Savings & Loan Association, Point Loma Branch, 1110 Rosecrans st. The meeting is open to the public.

Reports of the chapter's activies over the past year and a preview of the 1972 program will be presented at the meeting. Members of the 1972-1973 Board of Trustees and its officers will be elected at the meeting.

Mrs. Totty David of Beverly Hills, Trustee-at-Large for the National Cystic Fibrosis Research Foundation, will be guest speaker following the business meeting. She will present a report of the last National Board Meeting.

Established in 1955, the San Diego County Chapter of the National Cystic Fibrosis Research Foundation is a non-profit, voluntary association dedicated to helping over 5 million children in the country who suffer from cystic fibrosis and other chronic lung diseases.

Mrs. Carpenter Due at Meeting

Mrs. Ailene Carpenter will speak on her recent American Indian studies to Gamma Chi Chapter of Delta Kappa Gamma Monday at 7 p.m., in the La Mesa home of Virginia Cornelius.

A teacher of second and third grade for the La Mesa-Spring Valley School District, Mrs. Carpenter will tell about her sabbatical year of experience, living among several tribes of American Indians from Florida to Montana.

GENUINE TEARS

Contrary to general belief, tear gas can cause serious eye injuries, according to **Today's Health**, a monthly magazine of the American Medical Association. The Institute of Pathology of the armed forces reported that "14 eyes were removed from patients because of tear gas," the magazine's April, 1969, issue relate. The gas may cause acute chemical damage "even in minute concentrations."

Mail Bag

Dear Editor:

I want to express my appreciation for "hot line" in your January 6, 1972 issue.

I am addicted to barbituates, coedene and cigarettes. In the past I have had convulsions etc. I have the 1970 edition on "What You and Your Family Should Know About Drugs" published by the Benjamin Co. The doctor I go to has not helped me, only maintained me.

Now I am receiving professional help which is paid for by my county taxes. Al Edwards (a nice 29 year old BA who happens to have a different color skin than mine) is available to me whenever I need help. He has authority to cut tape and get hospital and/or psychiatric help if I consent. Before you published that column I didn't know such service was available. I am unknown to him except for the name I use, Ray D. and my history. He does not even know the name of my doctor.

Greatly appreciate this anonimity. Much more I appreciate the help and your part in informing of the availability of it.

You may if you wish print this letter in whole or in part.

Sincerely yours
Ray D.

GUEST PREACHER — Rev. Harry Long, newly appointed director of Indian Ministry of San Diego, will be the guest preacher Sunday at the United Methodist Church of Lemon Grove. His presentation in the 10:30 a.m. worship service is part of a month-long emphasis on the mission of the church, in the local community and around the world.

Rev. Long has been working in the San Diego area since last September under the sponsorship of six Protestant denominations. Prior to that, he served for 22 years in the ministry among Indians in Oklahoma. Rev. Long and his family reside in Spring Valley.

CAMP FIRE GIRLS SALE — Getting ready for this year's Camp Fire Girls Sale are Donna Moon, of Lemon Grove, left, and Barbara Corsello, of San Diego. The girls are displaying an architect's view of the newly-completed multi-purpose lodge at the Camp Fire Girls facility at Camp Wolahi. Part of the construction of the lodge was paid for with proceeds from Camp Fire Girls Sales. This year's sale, which begins tomorrow, will feature two new products, mint cream sticks, and salted mixed nuts packed in red, white, and blue boxes.

Local PTA Notes

L.G. Junior High

The January meeting of the Lemon Grove Junior High School Parent-Teachers Association will be held next Thursday evening at 7:30 p.m. in the school's auditorium, it was announced this week.

The program for the meeting will be presented by San Diego Padre infielder Dave Campbell, who will show some baseball highlight films.

Students as well as parents are invited to attend the meeting.

S.V. Elementary

A "safety fair" will highlight the meeting of the Spring Valley Elementary School Parent-Teachers Association next Thursday at 7:15 p.m. in the school's cafetorium.

Following a short business meeting, parents in attendance will be able to see a variety of safety exhibits.

From Lucky Yamaha in Lemon Grove, an exhibit consisting of a minibike and motorcycle will be display. The exhibit will also include motorbike safety devices, safety literature, and a film on motorbike safety.

From Divers Unlimited of La Mesa, an exhibit on skin diving and skin diving safety will be presented, and Dick Fisher will be on hand to answer questions about the sport.

Exhibits will also be presented on bicycle safety, safety in the home, mouth-to-mouth resuscitation, and auto safety.

In other Spring Valley Elementary PTA news, it was announced this week that students from the school have donated over 15,000 Betty Crocker Coupons to the PTA, which will be used for the purchase of a kidney machine.

Helgh High

The Helix PTSA is sponsoring a meeting of special interest to parents of students attending Helix High School. New plans and changes will be presented by Benton Hart, principal, and the three vice principals, including an explanation of the extended day schedule to begin this fall.

Dr. Stanley McClintic, assistant superintendent of Grossmont District, will explain unification. A question and answer session will follow.

The meeting will be in room 500, tonight at 7:30 p.m. Coffee will be served.

St. John's School

A panel discussion titled "Survival of the Parish School" will be presented by the Parent-Teachers Guild of St. John of the Cross School January 19. The forum will be held at 7:30 p.m. at St. John's Parish Hall, Washington and Imperial.

Members of the panel will include Monsignor John Dickey, Diocesan Superintendent of Schools, Doctor Richard Peck and Ralph Weismann, Education Chairman of the Parents Guild.

The object of the forum is to acquaint the parents of the school children with the methods available for strengthening the independent school by using existing programs and legislation including the newly signed "Vasconcellos law."

The forum and open discussion following will be moderated by Mrs. Ted Ewers, Guild Program chairman.

Invitations to attend the forum have been extended to the parents of neighboring parishes.

Rotary Meeting Due

The weekly luncheon-meeting of the Spring Valley Rotary Club will be Friday at 12:10 p.m., in the Ox Bow Inn, Campo rd., in the Casa de Oro area of Spring Valley. All Rotarians are welcome, said president Bob Brady.

Guest speaker will be Dick Davis, basketball coach of San Diego State College. He will be talking on the 1972 program of the team and some highlights of past games.

School for Moose Men

Herbert J. Stadler, secretary of Lemon Grove No. 1713 Moose Lodge, will be one of 31 secretaries of Colo., Alaska, Wash., seven west coast lodges attending the Secretary Administration School to be held at Airport-Sheraton Inn at Los Angeles on January 15-16.

William G. Stanley and Paul G. Sheets, Deputy Supreme Secretaries of the Loyal Order of Moose, will be in charge of the school, which is designed to more fully acquaint the secretaries with their duties and responsibilities.

Foundation Program Set For S.V. Kiwanis

The Kiwanis Club of Spring Valley will observe the 57th Anniversary of Kiwanis International on January 21, with a special Kiwanis International Foundation presentation.

In announcing the observance, Warren C. Bellows president of the club, described Kiwanis International as a men's service organization whose stated purpose, "Service to Youth, Community, and Nation," is an apt description of the work its members undertake.

Kiwanis was founded on January 21, 1915, in Detroit, Michigan. At its inception the organization was strictly a business oriented activity; but today, Kiwanis is community oriented and manifests itself in service projects. This year Kiwanis International will continue its Operation Drug Alert program and initiate a new activity, Project Environment.

Kiwanis International has 275,000 members in 5,800 clubs throughout the United States, Canada, and 37 countries in the Free World. These clubs will be observing the 57th Anniversary of Kiwanis International during Kiwanis Anniversary Week, January 16-22.

Some $11.3 million is owed New York City in unpaid parking tickets.

LOCAL SINGERS—The Cindrons, a local folk singing pair, were featured performers at a membership expansion dinner for the Scottish Rite Bodies Wednesday evening at the Scottish Rite Temple in Mission Valley. The local act consists of Cindy Remmes, of 3237 Acacia st., Lemon Grove, and Ron Williams, of Julian.

Hearings On Tap

Public hearings regarding dogs and a new name for a state park will be among the items of business when the California State Park and Recreation Commission meets Friday.

Proposed dog regulation would require presentation of a dog license or other proof of rabies innoculation before bringing a dog into a state park unit. The proposed name change would be for Joshua Trees State Park in Los Angeles County. Saddleback Butte and Antelope Valley are among the suggested new names for the unit.

BofA Reduces Rate

Bank of America last week announced a reduction in its prime lending rate from 5¼% to 5%, effective immediately. In making the announcement, A. W. Clausen, president of the bank, commented on the relation of the prime rate to various savings rates.

Clausen said, "Normally a reduction in the prime to 5% would require a reduction in the passbook savings rate to 4%. For the moment, however, Bank of America is maintaining its 4½% rate paid to passbook savers.

Speedy Telephone Answering
Reliable and Accurate

L-R. Joyce Williams, Jean Adams and Marion Wagner

A telephone ringing in an empty office never brought in a new account, never renewed a valued acquaintance, never delivered a word of good news. All reasons why the services of a reliable telephone answering company can be worth their cost many times over.

In the Lemon Grove area, the firm with everything going for its customers is Speedy Telephone Answering Service, Harris St. Jointly owned by Bert and Eileen Chabot, with Marion Wagner as supervisor, Speedy serves Lemon Grove, Spring Valley, La Mesa and El Cajon, offering a free trial offer to interested potential clients.

Industrial, commercial, residential and professional accounts are all welcomed by the service which retains an experienced staff of operators. Courteous and prompt, they place the accent on accuracy, relaying messages at the earliest possible moment. Speedy also provides an emergency tracing service, personalized and fast and as easy to put in motion as a call to the office at 461-1366.

Service to their clients has always been the main concern of everyone associated with Speedy. As a result the company has acquired a top reputation in a field where there is no lack of expert competition. Rates here are reasonable, the service is completely confidential, and the efficiency is a matter of record.

If incoming calls are important to you, and you can't be at your desk all day and evening, remember Speedy. They always get the message.

Tough Hoop Sked Faced by Aztecs

The word for the week at San Diego State is "snap" as the Aztecs of coach Dick Davis head into their second and third Pacific Coast Athletic Association basketball contests of the season.

The Aztecs, 8-3 on the year and 0-1 in PCAA play, will be out to snap a threesome of bad luck items as they play host to UC Santa Barbara (9-2, 2-0) and Cal State Los Angeles (7-4, 1-1). State opens play tonight at 8 o'clock against UCSB in the San Diego Sports Arena and then comes back on Saturday for a 2:30 p.m. meeting with Cal State LA.

"I saw UCSB over the weekend against Pacific and I'd have to say they look better than last year's team which went 20-6," Davis said. "They shut out Pacific in a fashion I didn't think was possible."

Against the two conference rivals San Diego will be attempting to bring to a halt some losing marks. For openers, the Aztecs have dropped their last two outings this season in slipping from 8-1 (and possible national recognition) to 8-3. Then there's the fact the Aztecs have lost their last four straight PCAA encounters, last week's 89-75 setback at the hands of Cal State Long Beach and the final three loop outings in the 1970-71 campaign.

HARASSED — Mt. Miguel's Mark Dobransky gets some harassment from Chuck Norton, 30, and Bob Gunderson, 34, of the Grossmont Foothillers as he drives in for a layup. Dogransky missed the shot and Mt. Miguel missed the boat, 88-70, last Friday evening. Matadors will be in action tomorrow night at Monte Vista. Game time is 8 p.m. (Carl Weber photo)

Mount Miguel Blasts El Cajon, Drops First Loop Game Friday

By Paul Stark

Mount Miguel High School emerged from its pre-season hiding place by beating El Cajon, 85-55, last Tuesday before losing to Grossmont, 88-70, Friday night.

Both games were won on the battle of rebounds. In the El Cajon game the Matadors controlled the boards, 58-34, but in the Grossmont game the Foothillers outrebounded the Matadors 47-31.

In the El Cajon game Mark Dobransky pulled down 16 rebounds to lead the Matadors while Steve Ayres and Gary Klusman each pulled down 11 apiece. In the Grossmont game Ralph Drollinger pulled 19 rebounds and Mike Robertson got 11 to lead the Foothillers.

In the first quarter things looked pretty bad for the Braves as the Matadors pulled out to a quick 6-1 lead but the shooting of John Hurlburt and Curt Hampton pulled the Braves within one point, 16-15, going into the second stanza.

In the second period the Matadors outscored El Cajon 26-14 as Dobransky and Terry Greenman scored nine and six points respectively to take a 42-29 lead at halftime.

The Matadors broke the game wide open in the third quarter as they outscored the Braves 19-8 on the shooting of Mark Dobransky and the defensive work of Gary Klusman to take a 61-37 lead going into the final quarter.

In the final period each team played "garbage ball" as the Matadors pulled out to the biggest lead of the game 85-53 with one minute to go. Tim Miller scored seven points and Dobransky and Klusman scored six points each for the Matadors in the period.

Dobransky was high point man for the game with 26 points, as Tim Miller scored 14 points in support. John Hurlburt and Dan Harris scored 17 each to lead the scoring attack for the Braves.

In the first quarter of the Grossmont game the Matadors stayed with the Foothillers for the first six and a half minutes, but Ralph Drollinger broke an 11-11 tie when he scored a pair of layups.

In the second period the Foothillers outscored the Matadors 26-17 as Craig Stevens and Drollinger led the way with six points each to take a 52-33 lead at halftime.

In the third quarter the Foothillers broke the game wide open as they pulled out to the biggest lead of the game, 60-35, on the shooting of Craig Stevens and Bob Gunderson.

The Matadors in the final stanza made a run at the Foothillers as they pulled within nine points twice. The second

Andy Williams Open Pre-Qualifying Applications Ready

SAN DIEGO — Applications for the fifth annual Andy Williams San Diego Open golf to compete in pre-qualifying tournament, Jan. 27-30 at Torrey Pines must be turned in to the AWSDO office by a deadline of Wednesday, Jan. 19, executive director Norrie West has announced.

Pre-qualifying will be held on Friday, Jan. 21 at the Carlton Oaks Country Club for non-Tournament Players Division golfers who do not reside in the Southern California PGA Section and amateurs with handicaps of two or better.

Low scorers in the pre-qualifying will join Southern California PGA Section pre-qualifiers and non-exempt TPD players in the qualifying rounds at both Carlton Oaks and North Torrey Pines courses, Monday, Jan. 24.

Application forms may be obtained at the AWSDO office or will be mailed to those who request them by phone.

Since those who make the cut at the previous GPA tournament are eligible to play in the AWSDO, the number of openings to be filled by the qualifying competition will not be known until mid point of the Dean Martin Tucson Open Invitational, Jan. 20-23.

Spring Valley Driver Among 96 at Riverside

Spring Valley will be represented in the tenth annual Winston Western 500 stock car race at Riverside Internateional Raceway, it was announced last week by Riverside International vice president and general manager Roy Hord.

Pat McIntyre, who finished sixth in point standings at Cajon Speedway after winning two main events, will be among 96 drivers vying for 40 qualifying positions for the January 23 race.

Additionally, three other San Diego area drivers will be making qualifying runs. They are Bill Butts and Richard Peralta, of El Cajon, and Larry Esau, of San Diego.

In the competition, McIntyre will pilot a Marck Motors Ford-sponsored '71 Ford, Butts will drive a '72 Dodge sponsored by Floyd & Howerton, Peralta will be seen in a '69 Ford, and Esau will take to the track in a Barnicle Oil Company-sponsored '71 Ford.

Despite the fact that all four local drivers have fared well in local and out-of-town competition, qualifying for the Winston 500 will be especially tough this year, as a record 96 cars have entered.

Adding to the qualifying woes to most drivers will be the stiff competition to be offered by the likes of Mark Donohue, A. J. Foyt, Richard Petty, Bobby Allison, and Bobby Isaac.

La Mesa To Host San Diego Chargers

La Mesa will once again host the San Diego Chargers football team for its 1972 in-season training. In a letter to the city, the team indicated that it would exercise its lease option for the facilities at Sunset Park between September 1, 1972 and January 1, 1973.

According to City Manager Terry Flynn, the team made no requests for new facilities indicating that previous arrangements were satisfactory.

The Chargers team has been using the park on La Mesa's west side since 1964 for its practice and physical conditioning sessions.

BAD START — Grossmont High School wrestler Terry Drew, left, take Mt. Miguel grappler Johnny Siscon to the mat in the opening minutes of the 97-lb. division duel last Friday night. Grossmont won the first three matches but Mt. Miguel roared back with nine victories in the next ten matches to claim the second league win. (Lorelei Wilhite photo)

Matadors, Monarchs Win; Set For Duel Tomorrow

The scores were somewhat surprising, but the winners were expected in last week's return to Grossmont League wrestling action.

The two teams most closely followed, Mount Miguel and Monte Vista, both got by their adversaries without much ado, in tune-up affairs for the "biggie" tomorrow night.

Mount Miguel, although No. 1 man Jim Minor was unable to compete in the 97-lb. division, rolled over hapless Grossmont by a 34-18 score.

Monte Vista had even less trouble with the reasonably tough Granite Hills Eagles, downing the birds by a 38-14 count.

Elsewhere on the prep circuit, Santana rolled over El Capitan by the surprising score of 43-18, and El Cajon shocked Helix by a 24-21 count.

At Monte Vista, things started routinely, as the Monarchs picked up a pair of quick victories before Granite Hills grappler Rick Goward picked up a tie over Monte Vistan Steve Scholl in a surprise.

Through the next six weight divisions, no problems arose for the Monarchs, but in the 167-lb. class, Ken Crandall upset Scott Wilson by an 11-10 count to add unexpected Eagle points.

Monte Vista got the win in the 177-lb. division, but Granite Hills added points in the next two classes on a 6-5 decision and a default to end the evening.

Monte Vista got pins from Gary Uyeda, Dan Fleury and Mike Barnes to add points, but missed expected pins from Robbie Hudson and Matt Taylor.

At Mount Miguel, the three opening matches in the Grossmont-Matador conflict accounted for a quick 12-0 lead for the Foothillers, but it lasted for a short time only.

Terry Drew, Dave Castro, and Carlos Ortiz all won for the 'Hillers in the opening bouts, but Mount Miguel came hustling back for nine victories in the final ten matches to notch the win. Included in the nine Mt. Miguel victories was a surprise pin from Mike Trebbien.

Mt. Miguel, expected to win by more, lost points when Jim Minor was knocked out of competition earlier in the week with an injury, and Mike Rhoades and Dave Rower failed to achieve pins.

Furthering Matador troubles were pins by Grossmont's Carlos Ortiz in the 114-pound class and Mark Fahl in the 193-pound division.

In a ho-hum match at El Capitan, Santana used four pins and a forfeit along with four decisions to roll by El Capitan, 43-18. Pinning for the Sultans were Wayne Stevens, Fred Van Oosbree, Mark Baxter, and Marty Gratz.

In the losing effort, El Capitan picked up a pair of pins from Robert Mueller and Craig Rogers.

In the biggest surprise of the week, El Cajon see-sawed its way to a 24-21 upending of Helix on the winners' mats.

El Cajon jumped away to a 3-0 lead after the first bout, but Helix evened things at 3-3 in the second affair. El Cajon then put three straight wins together to take a 12-3 edge, but Helix came back with three straight of its own to even things again.

El Cajon, however, picked up a pair of decisions and a pin in the next three matches to take a 24-12 advantage into the final two bouts.

Needing a pair of pins in the final contests to tie the match, Helix started out fine with a pin from Paul Hart in the 193-lb. class. Then Dennis Johnson, of Helix, took on the Braves' Boyd Thomas in the heavyweight bout, and Johnson was expected to get the pin that would have tied the match at 24-24.

Thomas, however, had other ideas, hanging on for the entire bout, as Johnson could muster only a 5-3 decision.

More excitement is on tap tomorrow night at Mount Miguel when the Monte Vista Monarchs invade the Matador roost. Mount Miguel is the defending CIF Champion team, while Monte Vista has won every tournament and dual match so far this season.

Mount Miguel will send the likes of Miguel Cesena, Mike Rhoades, Dave Rower, and Mike Trebbien to the mats, while Monte Vista will depend on such athletes as Robbie Hudson, Gary Uyeda, Matt Taylor, and Dan Fluery.

Each team has four sure winners, which leaves five bouts in question. Monte Vista is favored to get the advantage in the questionable bouts and win the match, but Mount Miguel will have the home mat advantage.

Action will begin at 8 p.m.

Wrestling Duel Tops Prep Sports Action

By John Nicholson

A full slate of basketball games, wrestling matches, and soccer contests will keep Grossmont League sports fans busy this week. Here's the rundown on which games will be won by which teams:

Wrestling

The "big one" this week will be tomorrow night at 8 p.m. in the Mt. Miguel gym when Monte Vista and the Matadors square off. Monte Vista has come out on top in both tourneys that have included both teams, making a runaway of the last one, the Grossmont College Invitational.

Individuals to watch include sure winners Robbie Hudson and Dan Fluery from Monte Vista and Mike Rhoades and Miguel Cesena from Mt. Miguel. On a team basis, with the league title probably at stake, the match could go either way, depending on which team is up and which team members are able to make their weights. **Monte Vista** has to get the call, by six points.

El Cajon at El Capitan, 8 p.m. Friday. El Cajon has looked pretty fair in the past few weeks, but El Capitan does have a couple of able athletes, and with the home gymnasium, should be able to get by the Braves. **El Cap** by ten.

Granite Hills at Helix, 8 p.m. Friday. Another close match is set in this one, with the Eagles surprising many fans in the first few weeks of the season. Helix is a tough team annually, and has some returners that could make things tough for Granite Hills. The upset victory, however, goes to the **Eagles**, by four points.

Santana at Grossmont, 8 p.m. Friday. This is the only one of four matches that doesn't promise to be an exciting one, as Santana will have no trouble defeating the Foothillers. Grossmont, destined for a last place finish this year, is in a rebuilding process and the **Sultans** get the nod by 14 points.

Svare Appoints Five Coaches As Chargers Se ek Win Status

If change is the name of the game in pro football, there should be some exciting things afoot for the 1972 San Diego Chargers.

Harlan Svare, who replaced Sid Gillman as head coach late last year, announced the appointment of five new coaches to his staff Monday.

All were presented at the Sportscaster / Sportswriters Assn. at its regular weekly luncheon at Kona Kai.

New to the Chargers staff:

— Bob Schnelker, since 1964 an assistant coach with the Green Bay Packers, joins the Chargers with the title of head offensive coach.

— George Dickson, a coach for 17 years who served with the Houston Oilers in 1971, is offensive backfield coach.

— Walt Yowarsky, a teammate of Svare and Schnelker with the New York Giants who also served at Houston in 1971, is defensive line coach.

— Rick Redman, a Charger player for seven years, becomes a player-coach in charge of linebackers.

— Ron Waller, star halfback for the Los Angeles Rams in the late 1950s, is coach of special teams.

Appointment of two more coaches, offensive line and defensive backfield, will be made in the near future.

Svare, who became head coach on Dec. 19, 1971, said he would be in charge of the San Diego defense. "I'll concentrate on the defense," he said, "and Schnelker will be in charge of the offense."

Schnelker, 43, attended Bowling Green University. He played pro football as a tight end with the Philadelphia Eagles in 1953, New York Giants from 1954-1960 and Minnesota Vikings and Pittsburgh Steelers in 1961. He became coach of receivers with the Rams in 1963 and joined Vince Lombardi's staff at Green Bay in 1964.

As a player, Schnelker was a two-time Pro Bowl selection and holds the NFL Championship record for most yards gained with 175 on nine catches in the Giants' 31-16 loss to Baltimore in 1959.

Dickson, 47, was a halfback at Notre Dame. He became a coach at Notre Dame in 1954 after military duty and also served on the college staffs at USC, Pacific and Oklahoma. His pro coaching experience was with the Oakland Raiders in 1961, Denver Broncos, 1964-65, Atlanta Falcons, 1966, New Orleans Saints, 1967-68, Washington Redskins, 1969-70, and Houston Oilers, 1971.

Yowarsky, 43, played as a two-way tackle at the University of Kentucky and in pro football with the Washington Redskins in 1951-52 and 1954, Detroit Lions, 1955, New York Giants, 1955-58, and San Francisco 49ers, 1958. As a coach, he served with the Giants, 1959-60, Minnesota Vikings, 1961-66, New Orleans Saints, 1967-68, Atlanta Falcons, 1969-70, and Houston Oilers, 1971.

Redman, 28, becomes undoubtedly the youngest coach in pro football. An all-American from the University of Washington, he joined the Chargers in 1965. He has played middle and outside linebacker. For the last two years,

Everything starts with you at United States National Bank.

When it comes to people, banks can be awfully unhuman.

Downright stuffy.

At United States National Bank, we think that's wrong.

So we're launching a campaign to make things right.

For instance, we've asked our people to be just that. People.

So you'd be comfortable around us.

We put soft chairs in our lobby. So you'd be comfortable. Period.

And to make your life a little more comfortable, we offer a lot of services.

Like: Frugal Check (no-charge checking when a $100 minimum daily balance is maintained). Different savings plans for different kinds of savers. Trust Services. Bonus Balance Checking. The Master Charge FaceCard.* And more.

In addition, some of our 61 branches in Southern California have TV Drive-Up Windows. And extended banking hours for people who work during normal banking hours.

So you see, United States National Bank is thinking of you.

We figure that's the best way of getting you to think of us.

M.V. Drops Pair As Eagles, Sults Prevail

By Tom Blattler

The Santana Sultans, led by super guard Geoff Hinkle, slipped by the Monte Vista Monarchs, 69-64, in the first league competition for both teams held in the losers' gym.

Hinkle, a 6-foot senior, canned his team's first 11 points of the contest, and scored 21 by halftime, enroute to a Sultan school record of 41 points.

He connected on 12 of 23 field goal attempts and was near perfect at the charity line hitting on 17 of 18 tries.

Santana took an early lead in the first quarter as the Monarchs couldn't stop Hinkle from the outside. The Sultans led going into the second stanza, 15-8.

Monte Vista fought back in the second period as Rick Baker and Mike Moffatt led the Monarch attack. At intermission, Santana's lead was cut to three points, 34-31.

The Monarchs tied the game in the third quarter as they outscored the Sultans, 14-11, and it was anybody's game heading into the last period.

In the final stanza, Hinkle again went to work and Monte Vista never had a chance after three top scorers fouled out in Baker, Moffatt, and Carl Zemlick.

Baker led the scoring attack for Monte Vista with 16 points, and Moffatt tallied 13 for the losers.

The Granite Hills Eagles, led by a well-balanced scoring attack, knocked off the Monarchs, 67-63, Friday night in the Eagles gym.

Bob Dedman, a senior guard, led the way for Granite Hills as he threw in 15 points. Mike Ortega, a junior guard, was second in the Eagles' scoring with 14 markers.

Rick Baker again led the Monarchs in the scoring department with 17 points. Greg Burness and Steve Smith chipped in with 12.

Monte Vista jumped out quickly as it hit nine of 12 shots in the first quarter to lead, 24-17.

But the Monarchs cooled off in the second period and the Eagles kept driving and tied the score by halftime, at 35.

The third quarter was close but Monte Vista still could not find the basket and only scored nine points to the Eagles' 13.

The final stanza was played to a tie as both schools threw in 19 points, but Granite Hills held on to its slim four point edge to capture its first league win. The Eagles' record stands at 1-1 in league play, with Monte Vista at 0-2.

The Monarchs' next opponent will be arch-rival Mt. Miguel. The Matadors are led by the Grossmont League's third leading scorer, junior forward Mark Dobransky, who carries a 24.4 average. The game will be played at Monte Vista starting at 8 p.m.

Gulls, 'Runners Tangle Tonight

PHOENIX — The San Diego Gulls face the Phoenix Roadrunners at the Veterans' Memorial Coliseum here tonight in an important game in the battle for second place in the Western Hockey League, then return home to meet the Salt Lake Golden Eagles at the Sports Arena is at 8 p.m.

Tonight's game will be broadcast on KOGO radio 60, starting at 6:45 p.m. Gametime on Saturday night at the Sports Arena is a 8 p.m.

The Gulls opened this week's activity one point behind the Roadrunners in the battle between the two teams for second place in the WHL. The Gulls played last night in Salt Lake, while Phoenix was at Seattle.

In the series between the Gulls and Roadrunners, Phoenix has a 3-1-2 advantage. The last four games have been split evenly, 1-1-2, and the Gulls have a tie and a win in the last two games.

Two games ago, the Gulls and 'Runners established a WHL record with 45 penalties, good for 137 minutes in penalty time. Phoenix established a WHL record with 23 penalties in that game.

In the last game, the Gulls spotted Phoenix a 2-0 lead, then roared from behind to take a 4-2 win over the Roadrunners.

PLATE LOADING — Michelle Danner, left, and her sister Laura Danner, load their plates with pancakes at Saturday's pancake breakfast at the new Sears Catalogue Store in College Grove Shopping Center. The breakfast, sponsored by Sears, was for benefit of the Wilson, Eiquist, and Grossmont Districts of Boy Scouts.

A BIT COLD— Eagle Scout Carl Burns solved the temperature problem with ear muffs and plenty of hot pancakes at Scout pancake breakfast. Over 10,000 flapjacks were served by leaders of Troop 980 during the affair, which lasted about two hours. Batter and syrup was donated by Sears. (Mark Coffin photos)

Little League Meeting Due

The Valley de Oro Little League will hold its first general meeting of the year next month, and registration will be open at that time for boys aged eight through twelve years interested in playing little league baseball.

There will also be a senior division of the league this season, for boys from 13 to 15 years of age. Youngsters who live from Sweetwater rd. to the Jamul area between the south side of Campo rd and Ildica st. are in the league's boundaries.

The meeting will be in the auditorium at Spring Valley Junior High School, February 8 at 7:30 p.m. Boys wishing to register at the meeting must be accompanied by a parent or guardian, and a birth certificate or other proof of age is required.

The number of fatal firearms accidents continued its downward trend in 1970 with a decrease of 10 per cent, reports the National Safety Control.

Series Resumed At Grossmont

Grossmont College's Office of Community Services and the Campus LDS Club continued the popular series titled, "Survival in the 70's," when Glenn A. Jorgenson, a drug abuse consultant to the Los Angeles County Health Department, spoke Tuesday in the Student Center.

Jorgenson, also an instructor at San Fernando Valley State College, spoke on "Design for Personal Survival." He has served as a consultant to numerous organizations concerned with narcotics and drug abuse.

In addition to serving as a consultant to the Los Angeles County Health Department in the Division of Drug Abuse, he is a consultant to the Los Angeles City Schools Committee on Drug Abuse; California State Board of Education Sub-regional Task Force for Drug Education and the Ventura County Task Force on Narcotics and Dangerous Drugs.

He has presented numerous papers and reports on the subject of drugs and drug abuse and has made numerous speeches and presentations on the subject to both adults and youth.

Barber Re-locates

Sal's Barber Shop, of 3319 Buena Vista, has moved to the Alpha Beta Shopping Center, at 7141 Broadway, in Lemon Grove.

Sal Corrao, the owner, said that he would expand his hair styling operations at the new shop. Hair styling will be done by appointment. Haircuts are drop-ins.

Joseph Zeigler, also a hair stylist, is associating with Sal.

Good Turnout Anticipated For Warriors-Knicks Game

More than 8,000 spectators are expected to view a surging New York Knicks team and a rebounding Golden State Warriors squad tip off in the fourth local National Basketball Association contest of the season tomorrow.

The San Diego Sports Arena battle begins at 8 p.m.

New York, NBA kingpins in 1970, had its early season difficulties this year but has reeled off two seven game win streaks and is now in a sizzling chase with Boston for Eastern Division laurels.

Despite the absence of center Willis Reed, out since mid-November with tendonitis, the Knicks have regrouped themselves for a last-half title run.

Jerry Lucas, a former Warrior, is handling the pivot chores and doing an excellent job despite his lack of height for that spot.

Elsewhere, the lineup is intact. Walt Frazier, having his biggest year as a pro and a recent pick for the upcoming East-West all-star clash, works with veteran Dick Barnett in the backcourt with Dave DeBusschere, another all-star selection, and Bill Bradley up front.

An added attraction to the festivities will be a pre-game and half-time performance by two wheelchair basketball squads. The California Paralyzed Veterans of America Silver Wheels will face the San Diego Sharphooters.

UCSD Professor Gets High Russian Award

Dr. Hannes Alfven, professor of applied physics in residence, University of California, San Diego, has been granted the highest award of the Soviet Academy of Sciences for 1971 for "outstanding achievements in plasma physics and astrophysics."

Alfven was notified by cable from Moscow that the presidium of the academy had voted to award him the Lomonosov gold medal. Academy president Mstislav V. Keldysh, who signed the cable, said the medal is the organization's highest recognition.

League Meeting Set By 'Sox

Henry Easter, president of the Spring Valley Bobby Sox League, announced this week that the league's first general meeting of the year will be held Tuesday evening at 7:30 p.m. at Bancroft Elementary School.

All interested girls, aged nine through 14, are invited to attend the meeting and register for play this season. In addition to registration at the league meeting, three dates have been set for registration. They are Jan. 22 and 25 and Feb. 5.

On Jan. 22 and Feb. 5, registration will be held at the Spring Valley Shopping Center, from 10 a.m. to 3 p.m., while sign-ups Jan. 25 will be at Bancroft School from 5 p.m. to 9:30 p.m.

Girls must be accompanied by a parent or guardian, and a birth certificate or other proof of age is mandatory.

shade better than its adversary here. **Foothillers** by a goal.

Morse at Granite Hills, 3 p.m. Friday. Granite Hills hasn't shown much yet, although some improvements over earlier season play has been noted. **Morse,** nevertheless, gets the win, by a goal.

Mount Miguel at Lincoln, 3 p.m. Friday. Mt. Miguel blew the home turf advantage last week against Sweetwater, yet the Hornets have not looked too sharp. **Mt. Miguel** by 2 goals.

Granite Hills at Montgomery, 3 p.m. Monday. The Eagles will get nothing out of the trip to Montgomery except a look at one of the top prep teams. **Montgomery** by three goals.

Mt. Miguel at Castle Park, 3 p.m. Monday. Castle Park offers little more than a good workout here. **Mt. Miguel** by a goal.

San Diego at Grossmont, 3 p.m. Tuesday. San Diego is another league, and should have no trouble. **Cavers** by two goals.

Lincoln at Granite Hills, 3 p.m. Wednesday. Granite Hills gets a chance to get in the win column against the Hornets. **Eagles** by a goal.

University at Mt. Miguel, 3 p.m. Wednesday. Mt. Miguel is the better team, but three games in a single week could tire the Matadors. **Even.**

Basketball

El Cap at El Cajon, 8 p.m. Friday. The Vaqueros, after getting off to a fine start, have been faltering of late, but El Cajon still has only a small chance to win. **El Cap** by 12.

Grossmont at Santana, 8 p.m. Friday. Super scorers Geoff Hinkle, of Santana, and Ralph Drollinger, of Grossmont, will offer a good show, but Grossmont will easily win. **Grossmont** by eight.

Helix at Granite Hills, 8 p.m. Friday. Granite Hills is surely the most improved team this season, but still will have trouble with the Highlanders. **Helix** by eight.

Mt. Miguel at Monte Vista, 8 p.m. Friday. Mount Miguel has broken loose in its style of play lately, while Monte Vista is still having its troubles. **Mount Miguel** in a six-point upset.

Granite Hills at Santana, 4:30 p.m. Tuesday. Here's a game that could give a hint as to what team will finish fourth. **Granite Hills** by two points.

Monte Vista at El Cajon, 4:30 p.m. Tuesday. Monte Vista will get its chance to get in the win column against the troubled Braves. **Monte Vista** by 11.

El Capitan at Grossmont, 4:30 p.m. Tuesday. The Foothillers shouldn't have too much trouble against the Vaqueros, unless El Cap catches them napping. **Grossmont** by 14.

Mt. Miguel at Helix, 4:30 p.m. Tuesday. Arch-rivalry calls for an exciting game, yet Helix should win big in avenging its football team's loss earlier in the year. **Helix** by 18.

Juvenile Traffic Court Hearings Moderate

Statistics for November and December 1971 continued to reflect moderate hearing activity for the Juvenile Traffic Court, according to its chief, W. L. Hanger.

Among the violations heard during the two months were 943 for speeding, 22 for reckless driving, 24 for speed exhibition and 28 for hit-run.

Dispositions during the two months included 227 license suspensions or restriction, 57 referrals to the Department of Motor Vehicles recommending either six month suspension or revocation of driving privilege, and 887 assessments or fines.

time they got within nine, however, the Foothillers scored eight straight points to lead 85-68 with a minute left. Bob Balderas and Jess Jenner each scored six points in the quarter for the Matadors, while Drollinger scored six points for the Foothillers.

Drollinger was the high point man for the game with 28, while Bob Gunderson scored 23 points and Craig Stevens scored 15 points for the winners. Dobransky scored 20 points to lead the scoring attack for the Matadors.

Tomorrow night the Matadors will travel to Monte Vista.

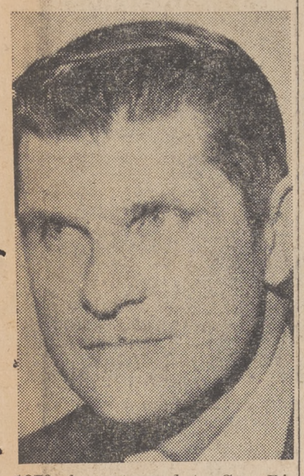
Schumacher Promoted At U.S. National

Carroll L. Schumacher, 39, of Spring Valley, was promoted to Assistant Vice President in the personnel department of the main office at the United States National Bank.

His previous position was Assistant Cashier in the personnel department.

After four years service in the U. S. Navy, he began his banking career in 1956 with the Bank of America. In 1968, he resigned to go with the United States National Bank as Operations Officer at the Lennox office.

He was later assigned as Regional Operations Officer of the South Bay Region in September of 1969. In October of



1970, he returned to San Diego for assignment into the personnel department at the main office.

A bank spokesman said, "Schumacher is a good example of the fine young men we have that display dependability, initiative and perception in their assignments".

Schumacher is active in the Atonement Lutheran Church in Spring Valley. He and his wife, Corrine, have two children, Meleah and Mark, and they reside at 1432 Whitestone rd.

SDG&E Rolls Reach 500,000

San Diego Gas & Electric Company's roll of electric customers has gone over the half-million mark.

Mr. and Mrs. David Ross, of Paradise Hills, went on SDG&E's books at the 500,000th active electric customer last week.

Walter A. Zitlau, company president, said that the installation of the electric meter for the 500,000th customer symbolized a major accomplishment for the company in fulfilling its responsibility to provide electric service for the rapidly developing San Diego County and southern Orange County areas.

"This area has been growing stronger, healthier, and more diversified, industrially, culturally and in educational opportunities," Zitlau said.

The growth has been particularly pronounced since 1955 when the company's customer roll reached a quarter million.

It took 68 years from the time the company became a combined gas and electric utility to reach that mark, but only 16 years more to double it. Of the 500,000 electric customers, 100,000 were added in the last four and a half years.

BankAmericard Mark Set During December

Heavy holiday shopping last month sent BankAmericard sales in California over the $100 million mark for the first month in its 12-year history.

Sales contributed to a record total of $750.2 million for the year, it was announced last week by Kenneth V. Larkin, senior vice president in charge of BankAmericard state-wide

NOTICE OF PROPOSED CHANGE OF ZONE BOUNDARIES OR CLASSIFICATION
(Grossmont-Mt. Helix Zoning District)

NOTICE IS HEREBY GIVEN that the Board of Supervisors of the County of San Diego will hold a public hearing on January 25, 1972, at 2:00 p.m., in Room 310, Board of Supervisors North Chamber, County Administration Center, 1600 Pacific Highway, San Diego, California, on a proposal to reclassify all or part of the hereinafter described property in the Grossmont-Mt. Helix Zoning District from the R-1, Residence Zone, to the R-3, Residence Zone, or a more restrictive zone, in accordance with the Zoning Ordinance of the County of San Diego.

Said property involves about 6.5 acres in four separate parcels and four adjacent areas. Three of the parcels and two of the adjacent areas contain about 22 acres, are located on the west side of Granada Avenue north of its intersection with Buena Vista Drive, and include Lots 381, 382, 383, 385, and 387 of Casa de Oro Avocado Estates Unit 5 together with two adjacent areas known as Lots 384 and 386 of Casa de Oro Avocado Estates Unit 5. The total frontage along the west side of Granada Avenue is about 575 feet. The total depth along Buena Vista Drive is about 162 feet.

The other parcel and two of the adjacent areas are contiguous and roughly triangular in shape. They are bounded on the north and east sides by Fondo Road, on the west by Granada Avenue, on the south by Buena Vista Drive, and contain about four acres. One of the adjacent areas is rectangular in shape, is located on the east side of Granada Avenue about 400 feet north of its intersection with Buena Vista Drive, and has about 88 feet of frontage on Granada Avenue and about 138 feet of depth from Granada Avenue. The other adjacent area is "L" shaped, is located at the northeast corner of Granada Avenue and Buena Vista Drive, and is known as Lots 397, 398, and 399 of Casa de Oro Avocado Estates Unit 5.

This hearing will be held pursuant to the application of Mr. and Mrs. Dennis Olivieri, et al, on file in the office of the Clerk of the Board of Supervisors, Room 306 of said Administration Center, to which reference is made for further detail. At the hearing any interested person may appear and be heard.

The Board of Supervisors, in accordance with Title VI of the Civil Rights Act of 1964 (78 Stat. 252) and the Regulations of the Department of Commerce (15 C. F. R., Part 8), issued pursuant to such Act, hereby notifies all bidders that it will affirmatively insure that the contract entered into pursuant to this advertisement will be awarded to the lowest responsible bidder without discrimination on the ground of race, color or national origin.

Minimum wage rates for this project as predetermined by the Secretary of Labor are set forth in the Special Provisions. If there is a difference between the minimum wage rates predetermined by the Secretary of Labor and the prevailing wage rates determined by the Board of Supervisors for similar classifications for labor, the Contractor and his subcontractors shall pay not less than the higher wage rate.

The foregoing quantities are approximate only, being given as a basis for the comparison of bids, and the Board of Supervisors does not, expressly or by implication, agree that the auctal amount of work will correspond therewith, but reserves the right to increase or decrease the amount of any class or portion of the work, as may be deemed necessary or expedient by the said Board of Supervisors.

In accordance with Section 1770 of the California Labor Code, the Board of Supervisors has determined the prevailing basic rate of per diem wages, inclusive of fringe benefits, a copy of which may be seen in the office of the Clerk of the Board of Supervisors. (Document No. 442133)

The attention of Bidders is directed to the information contained in the Contract Documents regarding Affirmative Action Program Compliance.

No award will be made to a Contractor who is not licensed under Chapter 9, Division 3, Business and Professions Code, or to whom a proposal form has not been issued.

No bid will be accepted unless it is made on a form furnished by the County Engineer ,and is accompanied by the security referred to therein. Forms of bid proposal and bonds may be obtained at the County Engineer Department.

Plans, forms of proposals, bonds, contract, special provisions and specifications may be examined at the County Engineer Department, Building 2, Room 184, 5555 Overland Avenue, San Diego, California 92123. Copies of plans and specifications may be obtained at said office upon payment of $8.00 plus tax. If payment is made by check, it should be made payable to the "County of San Diego". NO REFUND WILL BE MADE.

The attention of bidders is particularly directed to the provisions of Sections 8-1.01 and 8-1.02 of the Specifications regarding subcontracting and assignment of the contract, respectively.

The Board of Supervisors reserves the right to reject any or all bids, and the right to waive irregularities or informalities in any bonds or in the bidding.

College Classes Prepare Study On Air Pollution

Students enrolled in Environmental Biology classes at Grossmont College and the campus Ecology Workshop recently completed an analytical study of atmospheric conditions and air pollution distribution during a student picnic at Ocean Beach October 10.

After a classroom discussion of a prediction by Dr. Kenneth Watt, a Systems Ecologist at the University of California Davis, that during the fall of 1975 a major air pollution disaster will cause the death of several thousand persons at Long Beach in one weekend, the report was planned.

While discussing Dr. Watt's prediction, the students who attended the picnic at Ocean Beach saw a parallel between the atmospheric conditions that day and those which Dr. Watt suggests will contribute to the major disaster at Long Beach.

The students' preliminary research indicated that the beach areas of San Diego experienced severe air pollution October 10, and that this occasion seemed to indicate that San Diego could be the scene of a future major air pollution disaster.

AREA OBITUARIES

(Continued from Page 3)

Cutcheon, of La Mesa, Mrs. Mary Burns, of Lemon Grove, and Ann Marie Jagers, of Pacific Beach; and six grandchildren.

B. P. Graham

Memorial services were held Friday afternoon in the Bonham Brothers Mortuary Chapel for Mrs. Barbara Postle Graham, 59, of 3534 West st., Lemon Grove, who died January 4 at her home.

Mrs. Graham, who was born in County Durham, England, was brought to this area as an infant. She was a member of the American Association of Retired Persons.

Survivors include three daughters, Mrs. Agnes Sherman, of San Diego, Mrs. Rosalyn Patterson, of San Diego, and Sharla Graham, of Lemon Grove; a brother, Joseph Allison, of San Diego; and twelve grandchildren.

Interment was in Fort Rosecrans National Cemetery.

STAGE PLAY — Daniel Cody, of Lemon Grove, gets kissed by Tracey Lawson in the stage play "Blue Denim", which will open tomorrow night at 8:30 p.m. at the Actors Quarter, 480 Elm st., San Diego. Cody plays the part of Arthur, while Miss Lawson plays his sweetheart, Janet, in the drama concerning the problem of communication. The production, which also stars Adele Garland, of Lemon Grove, will be presented each Friday and Saturday evening at 8:30 p.m. through February 19.

Helix DECA Club Gift Wrap Called Success

Helix High School's Distributive Education Club announced last week the success of its recent Christmas gift wrap booth operation at the Grossmont Shopping Center which was shared with the Grossmont High School Chapter of DECA.

Working from December 10 to 24, club members wrapped approximately 2,000 gifts, and grossed over $1,000 in the 15-day operation. Additionally, while acting as an information center for shoppers, the club was rewarded by the Grossmont Merchant's Association with a check for $600.

Funds raised will provide opportunities for DECA students from both chapters to attend the State Leadership Conference in March, and winners to go on to the National DECA Conference to be held in May.

Ava Medford and Pam Jarman of La Mesa were the Helix DECA co-chairmen of the Christmas gift wrap this year. Linda Barber is the Helix DECA Chapter President, Robert Lent is the Helix DECA Teacher-Coordinator and Larry Martin is the Grossmont Chapter Teacher-Coordinator.

L.G. Fire Report

The Lemon Grove Fire Department, for the week of Jan. 3-10, answered three fire calls and three rescue calls.

Two of the fire calls involved vehicles: the first one on Jan. 9 at 3:28 p.m., to 3878 Capitol, had to do with a camper, owned by George Simmons. Damage to the camper was approximately $800; the second fire call, the same day, was at 4:53 p.m., at 94 highway and College ave., where a 1963 Volkswagen, owned by Mrs. E. Charlesworth of San Diega, was burned. Loss was estimated at $100.

Mills Re-elected President Pro-tem

SACRAMENTO — Senator James R. Mills (D-San Diego) has been unanimously re-elected as president pro tempore of the California Senate.

Mills, an eleven-year legislative veteran, was first elected to the top Senate post last January when Democrats garnered a 21-vote lead in the Upper House.

Often cited for his legislative sobriety, Mills is rated among the nation's leading advocates for legislative reform thus making state government more responsive to the public.

The San Diego County Democrat said the 1972 legislative session will continue to tackle the major issues facing Californians, with tax reform and environmental protection heading the list.

LG Man Arrested After Riverside Firebombing

A Lemon Grove man, William Gilley, 27, was arrested in Riverside January 1 on charges of throwing a firebomb at the Riverside Rohr plant.

Gilley, who is a member of IAM, the union which has been striking at Rohr's Riverside and Chula Vista plants, was arrested after being chased by a Riverside fireman, according to reports from the Riverside Police Department.

According to reports, the fireman allegedly saw Gilley throw the firebomb and gave chase, catching him at 3:20 a.m. January 1, along with two other union members, George Hilbert, of San Bernardino, and Dennis Smith, of San Diego.

The nation's hunters and fishermen provided nearly $250 million for fish and wildlife restoration in 1970 through their hunting license fees and taxes paid on their sporting equipment.

Dog Sled Races Due At Mt. San Jacinto

Sled dog racing, one of the most unique spectator sports in America, combined with an awe-inspiring cable car trip 3,500 feet up the east escarpment of Mt. San Jacinto, is expected to draw thousands of persons to the Palm Springs Aerial Tramway this weekend.

On Saturday and Sunday, the tramway and the California Sled Dog Club will co-sponsor the seventh annual races run over a three-mile course in snow-covered Long Valley at the top of the tramway. All races start at noon.

More preliminary heats will follow on Jan. 22 and 23 and the championship final race will be staged on Sunday, Jan. 30, if snow conditions permit. Currently, there are nearly 15 inches of snow in the race area.

Three women sled dog drivers plus 21 male competitors from all parts of southern California will compete for $1,000 in cash prizes and trophies donated by the tramway.

Feminine racers are Mrs. Fern Quirmbach, of Northridge, who drives a team of four Alaskan Shepherds; Mrs. Helen B. King, of Palmdale, and her team of five Samoyeds; and Mrs. Victoria Graham, of Reseda, a newcomer to racing with her three German Shepherds. Mrs. Quirmbach's Shepherd, Freddy, has appeared on a television show, "Hogan's Heroes."

Spectators, who are urged to arrive at the tramway's valley station well before the noon starting gun, will see a proliferation of many breeds of dogs entered in races each weekend, including Siberian Huskies, McKenzies, Indians, Alaskan Malamutes, Shepherds, Samoyeds, Arctic Hounds, a Doberman Pinscher — and even a Dingo, a native wild breed from Australia.

Tramway Manager O. L. McKenney urged spectators not only to arrive early for the races, but to be sure to bring adequate winter clothing since daytime temperatures may range anywhere from 20 to 40 degrees in the high snow country. Heavy jackets, boots or galoshes and suitable head covering and gloves are musts, he said.

The first cable car to the top will leave the valley station at 9:30 a.m. for the special event. There is no extra charge to view the races and regular tram fares will prevail.

Past Matrons, Patrons Set 50th Installation

The Past Matrons and Past Patrons Association of San Diego County, Order of the Eastern Star, will hold its 50th annual installation of officers January 22 at the East San Diego Masonic Temple, 3879 43rd st.

To be installed at the meeting, which gets underway at 8 p.m., are Mrs. Elwyn Murray, president; Mrs. Ruth Wilson and Mrs. Bess Towner, vice presidents; Mrs. Lillian Snow, secretary; Mrs. Jane Cowan, treasurer; and Mrs. Helen Bennett, chaplain.

Following the installation, a reception will be held in the banquet hall. Members and friends of the Order of the Eastern Star are invited to the ceremonies.

TROPHY WINNER — John Hatherill, a junior at Monte Vista High School won the sweepstakes trophy at Disneyland Hotel competition for drum majors. The competition was the West Coast Championships sponsored by Roberts Enterprises. John took second place in "festival pattern" with a score of 92.0 and first place in a two-minute open division style demonstration to finish as sweepstakes winner.

Prof. Lingren Tests Water Here For Sups. Race

Don Lingren, a professor of San Diego State College's school of business, became a potential candidate for Supervisor Harry Scheidle's post Tuesday.

Lingren, at a luncheon organized by realtor Ray Clancy, said that he "probably" would be a candidate regardless of whether his district residency became Henry Boney's or Scheidle's. New district lines should be defined this week by the Registrar of Voters.

He lives on Dutton drive in La Mesa, near Avocado blvd.

Approximately 20 persons attended at El Amigo cafe to hear Lingren declare he would "get out into the district" if he ran and was elected.

He dealt mostly with political philosophy but on one matter he was specific. He said that the zero growth idea was ridiculous in areas as desirable as the east county.

Programs must be provided by a board of supervisors in concept rather than a board with a 3-2 split such as the one in office now, he said.

Lingren ran on the Democratic ticket for Congress against Bob Wilson in 1968. The post of supervisor is non-partisan, however.

Classes In Spanish Set For Adults

For the first time in its history, the Grossmont Union High School District will offer driver training and driver education classes taught entirely in Spanish, beginning in February.

The course is designed for non-native speaking adults and high school age youths who are not enrolled in school, who might otherwise have difficulty understanding classroom discussion or driving instructions given in English.

The course is a result of recognition of a growing need to service the increasing number of Mexican-Americans in the local population, according to Bob Bunting, Director of Special Projects for the school district.

Driver training is actual behind-the-wheel experience, and driver education is classroom instruction which covers laws and regulations, driving courtesy, and the handling of difficult situations which might arise while driving. Many insurance companies offer reduced rates to persons who have completed the courses.

The class will meet Tuesday nights, from 7-9:30, beginning Feb. 1, and will last 18 weeks. The meeting place will be Room 120 at El Cajon Valley High School. The instructor will be Gilbert Salazar, a district driving instructor who is also a Mexican-American and a native speaker of Spanish.

Persons wishing to enroll may pre-register by calling the El Cajon Adult School office, 442-2401 or 442-2447, any afternoon from Jan. 25-27, or by attending the first class meeting.

There will be a $10 fee for the course, to cover gasoline and other expenses, payable at time of registration. High school credit is available for those working towards a diploma.

TV WINNER — Mrs. Charles Felk, left, of 6829 Cedral pl., Lemon Grove, receives the nine-inch portable television set which she won in a contest held in conjunction with the grand opening of A-1 Cleaners in the Alpha Beta Shopping Center in Lemon Grove. Presenting the prize is Jack Buiter, manager of the business.

Transportation Department Is Goal Of State

The goal to establish a new State Department of Transportation was announced by Frank J. Walton, State Secretary of Business and Transportation.

Walton said the action was in response to Governor Reagan's request, in Thursday's State of the State address, for the creation of a new state department to be concerned with all forms of transportation. At present, the State's responsibility for transportation planning is limited, and spread among several organizations, he pointed out.

During the project, representatives of local governments, transit groups and organizations concerned with transportation will be called upon for advice and comment.

Walton anticipates that the nucleus of the proposed Department of Transportation will be the State Departments of Aeronautics and Public Works together with the office of Transportation Planning and Research.

"In order to perform its mission of achieving a coordinated and balanced transportation system, the proposed DOT also will contain a new Division of Transportation Planning. As one of its key activities, this Division will develop and continuously update a comprehensive state transportation plan along with related policies which are responsive to the public need," Walton said.

Kickoff Held For 1972 Walk For Mankind

The kick-off luncheon for Project Concern's 1972 Walk for Mankind in San Diego was held at noon Wednesday in the Palm Room of the U. S. Grant Hotel.

Harland Svare, honorary chairman of the 1972 San Diego Walk served as the guest speaker. Svare, head coach of the San Diego Chargers, was recently appointed San Diego's committee chairman for Project Concern.

The luncheon allowed those attending an opportunity to meet and talk with Svare and Dr. Martha W. "Mollie" Turpin, 1972 Walk Director.

Dr. Turpin said, "The largest, most successful Walks for Mankind have been held in San Diego and we anticipate this year's walk to be even greater." The walk is set for April 29.

Project Concern, with headquarters in San Diego, is an international medical and dental non-profit organization. Its medical teams are now at work in Appalachia, New Mexico, South Vietnam, Hong Kong and soon will be in South Texas serving migrant workers.

Female Health Conference Scheduled January 17-18

A major conference to discuss risk-taking behavior by women will be held in San Diego January 17-18. Several countywide health and medical organizations are co-sponsoring the event.

The list of speakers, made up of both medical and behavioral experts, includes Leonard Schuman, M.D., of the University of Minnesota School of Public Health; Daniel Horn, Ph.D., director of the National Clearinghouse for Smoking and Health; and Elfriede Fasal, M.D., consultant in cancer control to the California Health Department.

The conference, titled "Femme Fatal-e," will center on the growing use of cigarettes, alcohol, and drugs among women. It will be held at the Bahia Hotel from 8:30 a.m. to 4 p.m. both days and will include a luncheon with a speaker each day.

Dr. Richard Grant, chairman of the San Diego County Council on Smoking and Health, said that most health educators feel that in the past many of their efforts have been aimed at men and have ignored women. "Consequently," Grant said, "there has been a rise in lung cancer, heart disease and drug and alcohol addiction rates among women in the last few years."

Grant said that many product manufacturers, especially the cigarette companies, have also recognized this phenomenon and have exploited it in their advertising campaigns and in their introduction of new products. "Somehow, they are suggesting that Womens Lib should also mean that women should now abuse their health with more cigarettes, alcohol, and even cigars," he said.

The purpose of the conference, according to Grant, is to bring together medical and behavioral experts to consider better health education measures for reaching women.

"We must convince women that 'coming a long way' should not include a increase in risk-taking behavior. It is self-defeating for women to attain higher status, and unnecessarily increase their death rate at the same time," he said.

Registration fee for "Femme Fatal-e" is $10. More information may be obtained through Deborah Ferguson, 3580 Fifth ave., Suite 203, phone 297-1643.

School Board Sets New PRD Approach

proceed with a warehouse building project, approved student body sponsorship of a "Lemon Grove Family Day" at Belmont Amusement Park, and approved revised plans for a right-of-way agreement regarding undergrounding of utilities near Palm Junior High.

Additionally, trustees tabled an item regarding changed job descriptions for classified employees until the January 24 meeting. The motion to table the item was made along with a request for copies of the revisions for trustees to study, outlining major and minor revisions.

Revisions this year were particularly extensive due to the re-organization of the food service department and the re-organization of administrative duties made last year.

Planning Assn. Meeting Due

(Continued from Page 1)

ed to have goals ready for the meeting, but optimistic progress reports are expected, according to Jim Dorman, Association Chairman.

Also on the agenda for the evening will be talks on planning and the planning process by a representative from the City of La Mesa Planning Department and a representative from the City of San Diego Planning Department.

The meeting, which is the regularly scheduled monthly evening meeting of the Executive Committee, is held at night so that interested residents of the area who are unable to attend daytime meetings will have the opportunity to be present.

According to Dorman, when goals are finalized, the general membership will meet for adoption or revision.

NEW MEMBER — Mrs. Margaret M. Reilly, City Clerk of La Mesa, was recently appointed to serve as a member of the Personnel Commission of the La Mesa-Spring Valley School District. Mrs. Reilly has replaced Clarence Watters, Jr., who served on the commission for three years.

Other members of the Commission are Frederick Cicalo and Mrs. Donald Hill.
